

VILLAGE OF BEISEKER
EMPLOYMENT OPPORTUNITY
PUBLIC WORKS FOREMAN

The Village of Beiseker is a progressive community located in a rural setting just 40 minutes northeast of the City of Calgary at the crossroads of highway 9 and 72. With a population of 781, the Village offers a small town atmosphere within close proximity of the city.

Reporting to the CAO & Council, this position will oversee the operation of the Public Works Department including:

- ◆ maintenance of roads and infrastructure
- ◆ water, sewer, and waste management facilities
- ◆ parks, playgrounds and municipal lands
- ◆ maintenance of municipal facilities and equipment
- ◆ planning and management of the department budget and capital projects
- ◆ development of a safe and healthy work environment

The successful candidate must hold an Alberta Environment Protection Level 1 Certificate in Water Treatment, Wastewater Treatment, Water Distribution and Wastewater Collection. The individual will demonstrate proven management, communication, interpersonal and leadership skills as well as being very self-motivated and well organized. Mechanical aptitude and equipment operator experience are essential. A valid Alberta driver's license with an air brake "Q" endorsement is mandatory and a drivers abstract will be required.

A full benefits package is available upon successful completion of probationary period.

Please submit a complete resume detailing qualifications, experience, education and references including salary expectations by 4:30 p.m. on Thursday, March 12, 2015 to:
